Re: 2012-2013 Dues Notice

Dear Supervisor Fleming:

Notice is hereby given that annual dues for the Township Officials of Cook County, TRUSTEES DIVISION, are now due. Dues remain at \$175.00 for four Township Trustees.

With the continuing threat to abolish Township Government in Illinois, it is very important that you give this request appropriate consideration. As elected Township Officials, we need to stand united to advance Township Government and better serve those that elected us. As members of the association we aim to:

- ❖ Provide an understanding of Township Government and issues that affect its powers and service for the public at large.
- ❖ Promote cooperation between Townships in the performance of good government.
- ❖ Provide a forum for Township Trustees to exchange ideas and information on Township Government.
- ❖ Assist Township Trustees in the performance of their duties, lobby for or against legislation affecting Township Government and the interests of the people it represents.

Please make checks payable to Township Officials of Cook County Trustees Division and remit to:

John Lord  
Township Officials of Cook County, Trustees Division  
4348 West 150th St.  
Midlothian, IL 60445

Thank you in advance for your prompt attention to this.

Best Regards,

John Lord  
Treasurer
